“ Diane was a kind, thoughtful, caring person! I worked with her through DECA for at least 30 years, and have remained in touch. I will miss our lunches. Diane had a wonderful sense of humor. Her attention to detail was one of her strongest skills. It showed in the beautiful needlepoint she created for my new home over 20 years ago. Diane loved her students and enjoyed seeing them succeed! As a leader in DECA, she was fair and competent! To Bill, Jackie and Justin, I loved hearing all about your adventures as Diane and I drove to so many DECA State Meetings! So many lunches at Mastori's! Please know that you shared a very special person with all of DECA!
