“ *I am Diane's cousin. I only visited her a few times as a child, but I admired her. I never knew about her illness- iit must have been very difficult for her. My thoughts and prayers are with her family. I love you all.*

“ *I wish I could be there, I have so many wonderful memories of my sister that I would love to share one day. While we didn't keep in touch as much as we should have, I loved her dearly and thought about her nearly every day, she was never far from my thoughts. Diane was my big sister who I idolized and she could never do any wrong. She was such a big influence on me as I know she was to those who knew and loved her. She will be greatly missed. I love you all.##imported-begin##Yvonne Tanenbaum##imported-end##*
