“ *Diane was a special part of my life. Even though there was no blood I considered her to be family. Diane and my mother had a special bond a closeness. Her Children Tina and Susan call my mom Aunt Trudy. Every Christmas up until my mom go sick my mom were go and visit Diane and her family. Diane was sweet, loving and kind. Had a big heart for others and animals. I never remeber a time when she didnt have any. We missed her when she moved with her daughters but furturnatly I was able to keep in touch via facebook.*

I am sadden to know that someone special has left us. But know she is no longer suffering and now has joined her husband Walter and my parents up in Heven.

Love you Diane###imported-begin##Tina Gallaher###imported-end##
