“ With a broken heart I write to say how special of a babysitter Debbie was to me and my family for taking care of my daughters since before they were 6 weeks old until they were around 4th grade or so. They spent alot of time there and never wanted to leave. She did so many crafts, shopping, snacks and trips to Columbus Market in her little blue car. We will all truly miss you Deb and we know that you are now at peace and no more pain and suffering. Hugs and kisses from Donna Loehr and Zfamiky. 💔🕊️
