

Donald "Buddy" Meredith, Jr

January 10, 1979 - February 22, 2012

Buddy Meredith, kind and devoted son, best brother ever, loving uncle and amazing and loyal friend to everyone he met, left many broken hearts as he departed our world on February 22, 2012.

Buddy was born in Mount Holly on January 10, 1979 to Sharon Hunt-Ruble and Donald E. Meredith. He is also the son of the late Edwin R. Ruble of Hainesport. He is survived by his mother, Sharon Hunt-Ruble, who has lost her other BFF, sister Patrica R. Meredith, her companion Adam Reed, his miracle nephew Chase A. Reed, sister Stephanie Ruble Denato, brother-in-law Mark Denato, adorable neices Mia and Ava Denato, brother Michael Ruble, his companion Jackie Kulig, grandmother Helene Hunt, aunt and uncle Sandra and Ronald Allen, cousins Douglas and Jason Allen and their families, aunt Tammy Crotchfelt and her family and warm home companion, his cat Warrior.

Buddy took great pleasure in all outdoor activities. He was a river rat with waverunners, a dirt lover with mud trucks, a daredevil on a bike and loved life in the fast lane. He was a "foodie" who loved to whip up a good meal in the kitchen.

Buddy was a graduate of the Burlington County Institute of Technology, Medford Campus, where he honed his skills as a mechanic. He was an employee of Miller Ford for 10 years and JD Lighting International for 3 years.

Come help us celebrate 33 wonderful years of living life to it's fullest at Perinchief Chapels 438 High St. Mount Holly, Sunday afternoon 12-3 and service Monday at 1:00. Interment will immediately follow. In lieu of flowers, make a promise to give blood this year.

“ Dear Sharon, Patti and family. No simple words can relieve the anquish of your lose.
As a parent myself I can only imagine a small portion of your pain. My thoughts have been with you for some time.
Take care I will never forget the outpouring of love and freindship shown today at Perinchief's.##imported-begin##Tom

“ I have had the pleasure of sharing 14 years of friendship, love, and laughter with Buddy. From the very first day I met him and he fixed my car's spark plugs, Buddy was always there when I needed him most. We leaned on each other in tough times. And he got me through some heartache I would not have been able to bear without him. His vivacious personality and spontaneous love for life will be carried in my heart in all the years to come. I am endlessly thankful for all the memories we were able to share. Forever in my heart##imported-begin##Maureen##imported-end##

“ Buddy what can I say... Sometimes a smarty pants, always thought u were right, but still knew how to make a bad situation great again. I had the great pleasure of knowing what an unbelievable boy and man u grew up to be. U will be my rock as I too have my own battle ahead of me. I will remember how strong and brave u were and I too will be the same. I will cherish and hold the memories that we shared close to my heart forever and always. U will be forever missed.... Keep that beautiful smile of yours as u look and watch over all of us. As u always said.... Never goodbye but see u later.###imported-begin##Jennifer Thomas###imported-end##
