“ Dear Susan and Family,

*I reach out to convey my sincerest condolences to your family in the loss of your loved one Donna. It is my Christian duty to share my ministry of memory of Donna, as I got to know her when I was the church secretary for 10 years. We served in ministry together in the work of the church. I had a lot of interaction with Donna in our ministry connection in the Church. Our faith journey as members within the Body of Christ was a bright Light shared freely with all who came in the doors of the church. It is through the many seasons of life that Donna went through in her faith and works in her fulfillment of God's greatest commandment in which she did "Love God with all of her heart, mind, and soul, and she loved her neighbor as herself."*

*Donna was committed to her faith and service within the church and community. She loved to bake a dessert for the monthly dinners and fellowship hours we had at the church. She was a faithful servant involved with many areas of ministry such as the coordinator of the Alter Flowers for the weekly flower dedications for the Sunday Church Service bulletin for many years, proudly putting a rose on the Alter for the Sunday morning service in honor of a newborn child as a witness to the church, attending the church Bible Studies and Spiritual Formation classes, a member of the Christian Neighbors and her participation and planning of their Mother Daughter Banquet, Bake Sales, and fundraising events. Donna shared her joy and laughter and had the gift of evangelizing as a greeter to visitors who came to the church. She also was a helper and participated in the Vacation Bible School program for many years. She loved the children.*

*Donna also served on many Church committees throughout the years. Donna was a sister in Christ to us: her family, her friends, and our church family throughout her Christian life.*

*I hope we can find comfort with these closing words found in the song "Hymn of Promise" by composer Natalie Sleeth in which she*

*contributed to The United Methodist Hymnal:*

*"...In our end is our beginning, in our time, infinity; In our doubt there is believing; in our life, eternity. In our death, a resurrection; at the last a victory, Unrevealed until its season, something God alone can see...."*

*I will continue to keep your family in my prayers. May God continue to gently hold each of you in the palm of His hand and to bring comfort and healing during this difficult time.*

*In Christian Love,  
Liz Cronrath, Member  
First United Methodist Church of Mount Holly*
