

Donna Marie Boardley

January 7, 1958 - December 29, 2023

Donna was born in Aurora Illinois, and had the chance to live in many places across the country, and even lived in Japan as a young girl.

Donna loved to listen to music, was a huge history buff and always read books about all types of historical events and places, read biographies and watched documentaries.

Donna was a loving wife, mother, and friend who will surely be missed by those of us who knew her best. She leaves behind just a handful of us...her husband, Francis; daughter, Mallaonease; granddaughter, Anaiya; nieces, Rhonda and Jenny; longtime friends, Charles and Hazel. You are now our angel, always in our hearts.

These are just a few things about Donna that we would like to share if possible. I very much appreciate your kindness, and this service, which will help us heal. Thank you so very much and have an amazing rest of your day.

“ There are so many memories between us I don't even know which one to share. Right now, all I wish I could do is call you and cry to you about my stories and for you to tell me to be strong, hang in there and that you've got my back. I know you are still by my side and for that I'm thankful. I know I've told you many times how grateful I was to have you...for us to have each other. I miss you and I love you....forever.
