“ *My sister Donna was a sweetheart. She would do anything for anybody. To know her was to love her. In the past years she went through so much yet she met it head on. The love she shared with the love of her life Richie was wonderful and he is amazing in the way he stood her and helped her through all of the things going on with her. I will miss my little sister she brought me much joy and I was so proud of her. It revelations it said all is mad new. She is feeling no pain or sorrow. I love you Donna Dee Dee as we called her when she was little. She was the apple of our father eye. We love you.##imported-begin##Linda Berryann Nance##imported-end##*
