“ *Dora was a Presence of love, in our lives....through all the years, from Stansted days on, she has been such a loyal, caring person to our family, here in Canada. Many visits through the years, always bringing Joy with her....she has given us such good memories, to hold, close in our hearts, always; with Love. God bless and keep her, and all her family.*
With much gratitude and fond remembrances, from the Parsons.
