“ *How do u ever adequately describe a genuine person of this caliber. Cared about all of the school children. She will be so missed.*

“ *As a fellow retired school nurse and member of the Burlington County School Nurses Association I would always see Doris' smiling face at the meetings. She always had such a sweet greeting when we would meet. I've loved reading the tributes that have already been written about her as a loving, compassionate school nurse. They reflect the woman I got to know and she would be so touched to hear all of these tributes from former students.*

*Well done good and faithful servant!

“ I express my heartfelt sympathy to the Bulaga Family.

*In tribute to Doris, she was a caring, giving friend, co-worker and neighbor. She went beyond her vocation as school nurse to reach out and ease the needs of all who came to her. She left her mark on so many and will be remembered.*

*May God grant her eternal peace.-*

*With gratitude,  
Ann Kanzler.*

“ Mrs. Bolaga was a wonderful woman with a wonderful soul. I loved her as the nurse at John Brainard as I'm sure alot of us did. She had a calm about her, a tenderness of loving and wanting to do good for others because no matter how hurt you were or how bad you felt she always made you feel better afterwards. May she R.I.P. My condolences to the family. May God comfort you and keep you as you go through this difficult time. 🙏

“ My deepest Sympathy to the family. Mrs. Bulaga was the absolute best! She was a great nurse, but first and foremost, a very caring soul. She loved to help with even the smallest of problems. I spent some time in her office as a child. She always made me feel better! She will be sadly missed and always remembered! ❤️

“ Nurse Bulaga was the best nurse to the students in Mt. Holly. I can remember as a kid atleast 2 times we weren't going to have anything for Christmas and by the time I made it home from school we had a Christmas basket on the porch waiting for my family. Always so kind and loving. She will always hold a special place in my heart. Your family was truly blessed with an angel.

“ Dear Doris,  
You were a wonderful neighbor and friend. We will never forget all of your caring help while my Mother was on Hospice. You became Mandi's surrogate grandmother during those difficult days and beyond. Your love and kindness and many wonderful memories of our long talks will warm our hearts forever. Our deepest sympathy to Leslie and the girls...

“ Dear Doris, I will greatly miss you. You are the one that convinced me to be a school nurse also. You guided and supported me the whole time. Your generous spirit was a gift to Mt. Holly.
