“ *Dear Cousins,*

*So sorry to hear of your loss. I have always had a special place in my heart for both of your parents. Being around them was like being around both of my parents. We have all been blessed to have them in our lives and cannot help to think that they are all together in heaven sharing the love that they all have for each other. My deepest sympathy to all of you. “ Dear Bada family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
