“ *It is with great sadness that I was informed of Dorothy's passing. Her and Frank were like second parents to me as I was always down their house. Theresa and I went to high school together and I lived down the street from them. I remember always swimming in their pool and eating fresh vegetables from Frank's garden. You couldn't meet two more nicest people. Even though I moved to Florida in 1979, we always kept in touch through birthday and Christmas cards. She will truly be missed by all that knew her. Now you and Frank can be together for eternity.*

Love,

“ I am so sorry to have received this news. I have many fond memories of my past mother-in-law. . She always treated me with kindness and respect. She always seem to have a smile on her face. Most of all, I remember the awesome strawberry shortcake she used to make for me. Rest in peace my friend.

“ *My aunt was an example of kindness and grace. I feel blessed to have known her and will miss her. She and my Uncle Frank were a perfect complement to each other. They shared a strong faith in Christ and I know that they are both in the presence of the Lord.*
