“ *My grandmother was a special lady, everybody who knew her, knew that. She was hell on wheels for my entire life! She was sassy, funny, caring, loving & all the good you could find in a person. She would do anything for anyone & never expect anything back. She was my favorite lady & i was her girl. She put up a strong fight, twice.. all while she was in her 80s. My grandmother was a strong woman & i have missed her since she took her last breath.. i will miss her until we are reunited. I love you gdot, more than i could ever express, i hope you're having the best time up there catching up with everyone you've lost over the years. ❤️*

“ My gdot was an amazing woman, she was ALWAYS there for everyone especially my sisters and I, we are gonna miss her deeply especially her sandwiches she used to make with love cut it half & a folded napkin with a claussen pickle that was the only pickle she would use!!! We're also gonna miss her homemade strawberry short cake that she used to make every birthday! My Grandma was always there for her family she loved everyone and she always shared so many memories! I'm gonna miss the calls of her saying “ hey Mel it's gdot call me back ok love you bye” most of all I'm just gonna miss my grandma. An amazing strong woman who fought cancer & beat it! Then for it to return and she still put up a fight! It's never goodbye because that means forever! I love you always Gdot!.
