

Dorothy "Dot" Green

August 18, 1947 - July 13, 2016

Deeply beloved wife, mother, sister, aunt, godmother, friend, and school bus driver Dorothy "Dot" Gardner Green, of Pemberton, NJ, born August 18, 1947, passed away unexpectedly on July 13, 2016.

Daughter of the late Maj. William C. Gardner and the late Ruth Gardner, and late step-mother Jimmie Fay Gardner, Dorothy was born in Yokahama, Japan, and raised in Browns Mills, NJ.

Dot met the love of her life, Toby Green, while snowed in at a friend's wedding. They fell in love, were married on March 2, 1967, and made their home in Pemberton, where they raised their eldest daughter, Kelly, and their Burlington County "record breaking" 18 lb. twins Kevin and Kimberly.

Dot was recently retired after 35 years of driving "Bus 66" for Pemberton Township Schools, a job she adored. She considered her responsibility as the "first smile, and maybe the last smile they see every day" as a personal mission, including the big yellow smiley face she placed on the front of her bus. She took great pride in the time she spent with the children on her bus routes, and loved her Pemberton Hornets.

Dot enjoyed gardening with Toby in their beautiful yard, "Green Acre", and cherished the time she was able to spend with her beloved granddaughters,

Devin and Delaney.

Dot loved her Bunco girls, riding bicycles with Toby and her friends, playing tennis, and kayaking on Mirror Lake. She loved her Grace Episcopal Church and her God, America and all things red white and blue, strawberries, smiley faces, her sweet Dixie dog, and her happily chirping parakeets. Dot spread love everywhere she went with her light-up-the-room smile, and enjoyed hosting family and friends in her famous "Strawberry Kitchen."

One of her signatures was making sure to give people she encountered (tips to waiters, especially) one of her origami dollar bill bow ties, just to let them know how much she appreciated them.

Her memory will be a lasting reminder to all who knew her to cherish and hold dear the simple things in life: family, friends, nature, and our beautiful America and all it stands for.

Dorothy is survived by her beloved husband and best friend, Toby Green; her daughter, Kelly Green Sowers and husband Jeffrey Sowers; her son, Kevin Green; daughter Kimberly (Green) Kaeser and two granddaughters, Devin Kaeser and Delaney Kaeser; brother Roger Gardner and wife Kaaren, and daughters Tamara, and Meghan; brother George Gardner and wife Nancy, and three sons Adam, Joshua and Gabriel; and Sister-In-Love Marcy (Green) Korson and husband Bill Korson, and daughter Kate. She was the sister of the late William Charles Gardner, Jr.

Funeral Services will be held on Tuesday, July 19, 2016 at 11:00 AM at Grace Episcopal Church, 43 Elizabeth St., Pemberton, NJ 08068. Friends may visit with the family on Monday from 4-8 PM at the Perinchief Chapels, 438 High

St., Mount Holly. Interment will be in the Odd Fellows Cemetery, Pemberton Twp. Contributions in her memory may be made to either the Grace Episcopal Church at the address above or the Armed Forces Heritage Museum, PO Box 324, Wrightstown, NJ 08562.

“ Dottie and I met during a summer break. We drove school busses for Wolfington Bus Co. We went on several trips together. I immediately thought, this is one wonderful lady. We spoke about our children and life in general. Now, almost 20 years later she found me on Facebook. I was saddened to hear about the passing of this kind and beautiful person. May you rest in peace with the Lord above Dottie. You will be missed.

“ *Dear Green family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ Today, tomorrow and always we celebrate the life of my Godmother Dorothy Green "Aunt Dot". She was the nicest kindest person that I have ever known. So many childhood memories. She has touched my life and had an impact on me more than she probably ever knew. Through the years she has graced me with kind gestures and thoughtful little notes. I did not see her much in my adult life, but every so often she would reach out when she was thinking about me. She always made me feel so special. Uncle Toby and Aunt Dot were the most faithful couple and the same as individuals. They represented everything that a couple and parents should be. My heart is broken knowing that I will not hear her voice or have the option to spend any earthly time with her again. For now we must rely on faith and know that we live for something greater than what is on this earth. I pray for her peace and peace for everyone that she has left behind. Let her memory live on in our minds, bodies, hearts and souls forever. ❤️

“ I was saddened to read about the beloved wife, mother and sister of the Green Family.
Looking at the beautiful pictures of her during her years as a school bus driver, I thought my mom who retired as a school bus driver. Dorothy really cherished her family and friends and a "doting school bus driver mom". I will share the comforting hope from the bible that God is going to do away with pain, death and sorrow. Rev 21:3,4
Continue to have the loving support from family and dear friends.

“ *My friend, Dot and I, met in the late 60's when our husbands, Toby and Tom were members of the Pemberton Sportsman's Club. We became fast friends and had a common link in that her Dad and mine were military "lifers" and she was born in Japan and I lived in Japan. I had my first son, Michael, and she had Kelly and we would take them to the Sportsman club outings and they became friends and then I had another son, Jeffrey and she had the twins ...and I followed close by with our 3rd son Tommy. The 6 of them along with other kids in the Club...Timmy Haines, the Denney girls,, the Utz kids, and many others all had a great growing up time with the family's. Then onto high school and I will always remember Dot calling to say would I please lift our restriction for Tommy so he could escort Kimmy to the homecoming parade and presentation at PHS. How could I say no to Dot? Over the years we spent some happy family times with ou kids...especially the Cookie Exchange where Dot always won with her peanut butter kisses. Oh how I will miss her...she was the ideal best friend...never, ever, ever said an unkind word about anyone and you could always count on her! Our angel is truly now an angel in Heaven and I know she will watch over everyone...her loving and lovely family, all of her friends and anyone who knew Dot. We joined the women's club (Grace Guild) together, and we were the youngsters. Later Dot became president and chaired many social events and fund raisers. Everything she did was meticulously organized.*

A vivid memory is of Dot strutting around the Hall playing a kazoo and urging everyone to join her in the Chicken Dance at a Grace Guild Christmas dinner. She recruited Toby as Santa and Ken as his elf.

“ I had the privilege of riding in #66 to the computer museum in NYC. I was amazed at how smoothly Dot navigated the back streets of New York weaving through the garment district and how she had to yell at Jeanne for letting the high school kids accept watermelon slices from a street vendor through the back windows.

As Todd Topham said, there are things that I'll see and immediately think of Dot. To Todd's list I would add a bird. Oh wait, actually two birds -- almost forgot canaries.

When we were at the cemetery for Mid's funeral, I was standing next to Dot when a cardinal flew past us into the trees. Dot said that seeing a cardinal will always make her remember Mid -- now that flash of red against green is Dot to me.

It's our fervent prayer that you have achieved the peace you sought. We miss you, we love you, and we know you loved us.

I can vividly recall Dot, along with Toby, Janice and I, climbing up over 1000 feet to our mountain ledges to enjoy the view (no small feat for even those much younger). Dot and Toby met at our wedding ,both where in the wedding, when the wedding and reception was over on a snowy January 29th 1966 Toby and Dot went to Joe & Jayne Hibbard who was also in our wedding and got snowed in , they feel in love in those few days and soon got married and had 3 beautiful kids . I have so many wonderful stories about Dot and Toby I could go on and on, Dot always had nice things to say and anyone who knew her loved her, I did and so did my wife even thought we didn't see them all the time we each knew if we needed each other the other would be there. Dot is with her God now who will looking after each other. For all we know she will be hauling a bunch of angles around in a big old yellow bus.

Toby & family. Flash & I were very sad to hear of Dottie's passing. She always meant so much to us. We always enjoyed seeing her at your ballgames, loved playing tennis with her (she is the one who got me to take tennis lessons & start playing. My goal was to beat her, but I don't think I ever did). haha! She made the best chocolate-chip cookies (all butter). We loved seeing you a few years ago when we came to N.J. to visit Carol & Fred. You both had proud "Grandparent sweatshirts" on. We will always remember you all.

My friend Dot, I will never forget my jidderbug partner in 5th and 6 th grade when they let us in school to dance before school started. We were the BEST because you made it so. Then we grew up and you use to take me to work in your mustang. Great memories I will cherish all of them. Rest in peace. To the Green family my thoughts and prayers are with you. She was a beautiful soul.

Dorothy and I went to school together until I moved away from the area. Quite a few years ago I was walking in Super Fresh in Lumberton and ran into her. I hadn't seen her in years and it was such a great feeling to see her that day. My fondest memory of her was when we were in the Gym show doing square dancing and she and I were partners. What fun! My brother Ray also drove bus with her many years ago and often spoke of what a wonderful person she was but that I already knew. R I P Dorothy.

Dear Toby and the Green family. My deepest sympathy in the loss of "Dot". Although I never had the pleasure of meeting Dorothy, these memory pages tells it all. What a tribute to a great person. I hunt with Toby with the Retreat Gun Club.. My prayers to the Green family.

Dot always had a smile on her face, a kind word to say and music on her bus. She looked out for the safety and security of the children from Pemberton as if they were her own flesh and blood. I never knew a kinder person nor one who would go out of her way to protect the children she was entrusted to transport throughout the district. Toby, and family, I am so sorry you have lost her. You are in my prayers.

What a lady in every way!!!! always saw Mrs. Green and had special talks with her while on the bus platform. She always had something special to share with me or to say to me. If we didn't get to talk, there was a wave. To the Green Family, may God lift your spirits and give you the memories of your loved one to take you through the days ahead. You are in my thoughts and prayers.

What can you say? Dot was the type of person you wanted to emulate. Loving, Kind, Thoughtful, Giving, Crafty, funny....our kids grew up together in Grace Episcopal Church. I still have a Santa made on top of a Clorox bottle in my Christmas decorations from over 20 years ago. It hangs on my door every year. She will be missed by all especially her family but what precious memories she gave them over the years. Go with God.

Dot.

I very seldom saw you without a smile or a greeting. I was not a member of your church, and didn't have the pleasure of being a member of your family, but we shared the family of Pemberton Bus Drivers. Yours was the first bus I could recognize when I was hired 9 years ago, because it was uniquely yours, and there was no missing the smiley face, the pink steering wheel and hat(s) as we passed each other on the road and waved. You did your job with kindness, dignity and skill. I have never heard you use sharp words to or about anyone. You were someone to emulate. Thanks for the kind ways you answered my questions when I was a new driver. I look back today and think of some of the things I asked about, and now I really appreciate your patience. Dot, I missed you when you retired. I hope you are resting peacefully in the arms of Jesus.

Till we meet again..
