“ I am so sorry to read of this very sad passing of Dot. I am sorry I didn't have time to chat with her during her illness. Over time we had many talks as our children grew. My deepest condolences to all her family.

“ To the Hyland family - Please accept my deepest, most sincere condolences. I know how very much you all loved her; how very close you all were as a family. Also know how very much she was loved by the rest of us too. I always loved that she was willing to talk, to listen, to offer advice without judgment. She always told it like it was. No bs. I loved that about her. She will certainly be missed; not only by me, but by all who knew her. Please know I'll be keeping you all in my thoughts and prayers; and will keep Dot in my heart forever. My love and sympathies to you all xoxo
