“ I worked for a while with her (Hole in One) hubby in Philly. He had a used hearse . We took turns driving to Philly thru Camden before all the houses were taken down to widen the entrance road to the bridge. When we came home one off us would lay in the back where the dead body would have been and wave to the residents on the street and those sitting on their porches. Bob was always a lot of fun and I caddied for him a time or two. I didn't play golf but he was the best I ever saw. Dot was a great gal also and she will be missed and always remembered with fondness. Charlie Gray V- - The old Gray Mayor.

“ I am so sorry for the loss of your Mother and Grandmother and Sister. She was a wonderful lady growing up and coming over to your house as kids and then going to Spencer's in Rancocas Woods where she worked for many years. May God bless you all and she rest in peace with your Dad and sister.

“ Dear Schiffhauer family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
