“ *Earl was one of my supervisors when I worked for the State of New Jersey. We became very good friends after I left the State to raise my family. Earl was always a big part of my families life. We miss him. RIP my friend. Love to his wife Elaine.*

“ *My sympathy to the Budd family. I knew Mr Budd, when I worked at Heritage Bank in Mt Holly. I remember Mr Budd sharing his photographs of his Cadillac driving in the Miss America pageants in Atlantic City.*
