“ *All who knew Earl has NOTHING but positive uplifting comments, from his work ethics, professionalism to a slight sense of humor. Earl's death takes on a significant emotional toll on all of us, and especially Christians who are unaware of his beliefs. On behalf of the JBMDL Dix-McGuire AAFES Retirees Group, we want to extend our deepest condolences to Earls's family, friends, and co-workers that knew him. The death of any AAFES Retiree family member is heartbreaking because we are an exclusive group that served the United States Military community, their family members and supported one another.*

*Rest in Peace and God Bless,
