

Edith Erika Daniels Szolna

February 4, 1927 - February 22, 2017

Edith Erika Daniels Szolna (nee Ballman) age 90, died peacefully in her sleep on February 22nd. She enjoyed her life as a resident of the Philadelphia Protestant Home for the past five and a half years where she was active in numerous social activities, leaving behind many friends. She is predeceased by her parents and sister Mariana, her 1st love and husband Gene Daniels, their daughter Angelica who died as an infant; and her second love, her husband Stanley Szolna who passed away in 1991. She was born in Werdau, Germany, and lived in Gerbrunn until marrying and coming to the US and settling in Mount Holly, NJ with Gene, who was a Sgt. in the US Army. They were married for twenty-two years. After Gene passed she later met and married Stanly and lived in Northeast Philadelphia. She worked as a housekeeper and cook for the Archdiocese of Philadelphia and at several parishes including Seven Dolours in Wyndmoor., St. Ambrose and Maternity BVM, where she also made some life-long friendships. She was an avid collector of dolls, figurines and loved to knit. There was always a dog or cat in the house and a delivery driver dropping off a package from QVC to the house. If there is a QVC in heaven, she WILL BE IN HEAVEN. Services will be private with a group memorial scheduled at the PPH Chapel, Tuesday April 25, 2017 at 3:30 PM. Any donation in her name to the PPH Benevolent Fund, 6500 Tabor Ave., Philadelphia, PA would be most appreciated.

“ *I was saddened to read of the loss of your loved one. I personally experienced the grief of losing my loved ones. However, there is comfort to know the Holy Scriptures gives the assurance that God will end death, pain and sorrow. I hope this brief Bible message brings comfort to you and your family.*
