“ *Aunt Edna was a sweet gentle person who will be missed. I did not get to spend as much time with her as I would have liked but she will always have a special place in my heart*

“ *Aunt Edna will be missed. She was the most thoughtful and sweetest person. She may not have been a mother of her own kids but she was a mother in her own way to her family and friends. She had a smile and pleasant way that cannot be forgotten! It hurts that she had so much pain in the end but now she is peaceful not hurting anymore. You are an angel.... God Bless. You are greatly missed Aunt Edna. Love you.

“ *My dear beautiful Aunt Edna, I will miss you so much!!! But I know you are in a better place. You are not in anymore pain. It broke my heart every time I spoke with you on the phone when you were hurting. But I wanted to share the most cherished memories I had with you. I will never forget the time we spent together over the summers when I spent a week with you and Grandmom. You would take me to work with you, and let me help. Grandmom taught me how to crotche. We would go to Aunt Gils house and see the animals and she would make my favorite popcorn. We would go to LBI too! But a memory I will never forget Grandmom told us one morning that she heard us talking to each other while we were sleeping. We all laughed! Thank you for always being there for me!! Its going to be hard not seeing you anymore but you will always be with me in spirit. I love you and will miss you! Christine*
