*My little sis! Many times I have cried for you! But let's celebrate the times I laughed and loved with you! I do remember the happy days. Of weddings and kids and the deep love in your heart for Erin and your love and faith in Jim. You are amazingly an angel who lived on the Earth.*

*You are the younger sister but you have taught me so much about fortitude and strength! I love you and respect you. This poem says what I want to say.*

*Until later!!! Hugs to you!*

*"She's in a better place right now  
Than she's ever been before;  
All pain is gone; she's now at rest;  
Nothing troubles her anymore.*

*It's we who feel the burden of  
Our sadness and our grief;  
We have to cry, to mourn our loss,  
Before we get relief.*

*We know we'll reconnect with her  
At the end of each life's road;  
We'll see her cherished face again  
When we release our earthly load."*

“ *Some souls pass through this lifetime like a gentle summer rain, touching our hearts and then returning to heaven once again . . . Your earthly life came to it's seasons end, but your soul went forth and lightly journeyed on. Even as we mourn your loss, within our hearts you will never be gone. You will remain forever in our thoughts, hearts and prayers. You will always be my sweet little sister.*
