“ *So sorry to hear of your loss. Barbie babysat for me and I remember her and her mom would take ALL of the kids shopping whenever they went. May you all find peace and comfort at this sad time. She was truly a wonderful person.*

“ *I met and then when I was a teenager. She was very friendly and she took such good care of her children. When I used to come over I would make a fuss over Debbie and play Barbies with her. Edna always welcomed me with a smile. When I grow up into my 20s I would still visit and when I had children I visited her. Life happens and you don't get to see the person anymore. I also remember her loving country music and dancing at a club on Rt 206. I thought of her often over the years. She will be missed by many and she will be remembered by many. God bless the family.*

“ *Edna was truly a special lady. My childhood was formed from memories with her. She was always cleaning house. Her door was always open to anyone that was down on their luck. Prayers to the family.* ”
