“ *I just learned today of Ed's passing. My sincere condolences to his family.*

Today was The NJ Law Enforcement Torch Run for Special Olympics that Ed always ran with us before he retired.

I asked one of the Lumberton Officer's today how was Ed doing in his retirement. I was devastated when they told me of Ed's passing, so sorry.

RIP my brother officer, and I'll see you down the road.

“ *I extend my deepest condolences to the friends and family of Lt. Begolly. He was a great officer, but an even better man. I always enjoyed interacting with him whenever he would be in our school for staff training or other events. I especially enjoyed his sense of humor and the kindness that he extended to everyone he came into contact with. He was one of the good ones and will be greatly missed by the staff of the Lumberton Township School District and the residents of the town. Rest in Peace, Sir!*

“ Ed was one of the best guys I've ever known. He would do anything for the people he cared about; he would have given his life for his kids, because they were his life. Ed was larger than life, a protective pit bull... but he was also a big teddy bear. I will miss him dearly. Rest well, my friend, You were taken away from us way too soon.
