“ *Frannie - I'm just seeing this. So sorry for your loss. I went to school with Eddie and he was certainly one of a kind! Made me laugh a lot. I actually saw him about 3 or 4 months ago for the first time in years. My sincere condolences to you and your family.*

“ *I was really saddened to find out last week that Ed had passed. So many good memories of him. He looked out for me in my freshman year at RV. I will always remember him fondly, with a smile on my face.*
