“ *I only recently learned of Eddie's passing. Even though much time has passed, my prayers and love go out to Eddie and his family. We have lost when Julie Gaska passed away, but I've often thought about all of you. I wish that I could have been there to give comfort when we lost him.*

“ *What a sad day to learn that Wujek Edek is gone from us. Always full of life, cheer and mostly enjoying company of others. My first impression of him was as a "sharp dresser" and a gentelman. He was responsible for the Kanarek family to emigrate to USA, with out his loving help we would never be where we are today. Thank you Wujek Edek from all of us for your vision and your generosity. You will always remain in our hearts.*
