“ Ed , you will be missed by so many. When I met you 16 years ago to paint my house, I immediately enjoyed you and your sense of humor. I knew immediately you were a great guy. I enjoyed all the laughs we had over the years with my many projects 😊 One memory I will never forget and I will truly always be grateful was in Dec 2012 when you painted my deceased mothers house outside in the cold so I could sell to a VA buyer who could not get a loan unless the paint was fixed. Only you Ed would have done that. You were one of the good ones Ed and you will be so missed my many. RIP our friend, Cindy Hinke

“ I was so sorry to hear of Ed's passing. Ed was a neighbor, and more importantly, my best friend through the years. I can't tell you how many countless hours we spent together shooting hoops, playing wiffle ball with Bill and Uncle Irv, playing golf on our homemade course on the old high school field, having a catch in the backyard, trapping or fishing along the creek, or just hanging out. In all those times, I can't remember Ed without a smile on his face, a quick-witted comment or two, and a heart of gold. A friend that will always be remembered and sorely missed. I am so glad I had the chance to visit with Ed and Paige a few times over the past year or so and to reconnect. My best to Paige, Bill, Carol and the entire family.

“ Our most sincere condolences to Ed's family. We are all so sorry to hear of Ed's passing. He worked in our neighborhood frequently through the last 20 years. He was an expert at his craft and just as nice a man . When he came to our home it was like an old friend had come to visit. He always remembered everyone in the family as he came to paint a room that would soon welcome a new baby or a room where a child had grown up and moved out on their own. He always had a smile and a quick witted joke. He will be missed by so many . - The Conover Famiky

“ Ed always had a smile on his face and would quickly make you laugh with a joke or comment. He gave back to the community and was "always available" when needed to referee many of the STRA basketball games. He was one of the good ones ... a great guy who will be missed.
