“ *We met during a time when our friendship kept us alive. Many days a week we laughed, vented, and just paused to cherish our loved ones together. She was straight-forward and didn't sugar coat. One hell of a cook. Very thoughtful. She loved her family more than anyone can imagine. Such a joy to see her face light up whenever one of her family members came home! I miss you Eileen. You were one scrappy fighter. Go dance the nights away in heavenly peace.*
