“ *Can also remember the Christmas that you and your Aunt Janet both got umbrellas. The two of you sitting in front of the tree with the umbrellas open pretending it was raining. I can keep on going.*

“ Can remember the night you were born. Was around dinner time with a lot of snow outside. Your mother was in so much pain that she couldn't walk so your Dad and Pop Pop carried her out to the car. Worried until someone came home to let me know both you & your mother were ok.
