October 1, 1942 - September 25, 2020

Eileen A. Rost (nee Kennedy) of Columbus, NJ, died on September 25, 2020 following a brief illness. Eileen was 77 years old and had looked forward to turning 78 on October 1. She was born in Staten Island, NY and is predeceased by her parents, William and Eileen T. Kennedy, brother William Kennedy Jr. and second husband Ronald J. Rost.

Eileen was a retired registered nurse who enjoyed traveling, family time (especially playing games with her grandchildren) and her chats with the “girls”. Her hobbies also included golf, sewing, quilting, painting, and embroidery. She left numerous beautiful hand-made projects that are sure to be cherished for many years.

Eileen is survived by her three sons and daughters-in law, nine grandchildren, many dear neighbors, friends, and extended family members.

“ I will definitely miss shopping for "triple pumpkin" goodies for Eileen. She always referred to her boys as her three "pumpkins". We will miss celebrating the holidays together and our visits to Columbus NJ. We would love to be able to have a meal at "Charlie's" someday so we can reminisce - hopefully they will re-open at some point. I will do my best to continue to take care of her "pumpkin" # 1 and his sons - making sure that they remember all of the good times we were able to have together. Things were not always easy, but we know that the love was there the whole time. I am sad to not have a mother-in-law anymore. Until we meet again...behave yourself up there & save me a seat.

Love ya,
Trina
