“ When I was about 8 yrs old, my grandmother was ill, and we moved in with her on Cherry Street, just one house from the Byrds. She was so fun. The first time I went trick it treating, Elaine took my cousins and I...she took us to movies and just downtown. I have thought of her often with a smile and the great times my cousins and I had with her. I do want to remember her dear parents...Just loved them. Gale Boxer Pinardo.
