“ *Mom and her entire family have treated me like family since I became friends with her son, Keith, about 35 years ago. She even visited with my family one year when Keith came down. She always wanted to have us over for dinner when I visited Keith and John. I can't imagine the feeling of loss that her children are feeling. I love them all and want them to know that they are in my prayers. I will miss her too.*

*Love,
Gene*
