“ Dear McBride Family and Friends, My thoughts and prayers are with you all! I was so sad to have just heard of Betty's passing a couple of days ago. I would have come to say goodbye if I had known. Betty frequented our hair salon quite often for many years and we looked forward to her every visit. She was so much fun and we shared so many laughs and I will miss her very much. She was like family too us. She always looked at the bright side of things and taught me a lot. I wish I would have gotten to Atlantic City with her, I know how she enjoyed her trips with all of you. I will have to finish the puzzle she gave me now and when I do I will toast her with a glass of wine! Cheers Betty till we meet again! So very sorry for your loss.
