“ *Sister Tumbler was such a sweet person and a mother to every one who would let her be. She was one of my two church mother's at the Mount Holy Seventh Day Adventist Church. She always prayed for me and for my family. Even at the end of the last conversation we had on the phone , she prayed for me and my family. She will be missed but her sweet memories will be with me always! My deepest condolences to her blood family and to her church family!*
