“ *It's been 1 month today since we lost you. I know you are happy, pain free and able to walk and talk now. That is what keeps me from losing it everyday. I love you and am so glad you are not suffering anymore. Tell Dad I love him and miss him too.##imported-begin##Lynda##imported-end##*

“ *Hey Mom, I miss you more than I can say but am so glad you're up there in heaven holding Dad's hand. Yes, I know you are, even though you're rolling your eyes while you do it! :) I'm so grateful we had these last two and a half years together, I wouldn't trade that time for anything. I know you know now how much you are loved and will be missed, missy mine! Love you always!##imported-begin##Mary##imported-end##*

“ Hi Mom I think about u every single day. I think you are holding dad's hand and he is taking you for a walk to his favorite fishing place in Heaven. I love you and miss you but I'm at peace knowing you are with Dad and waiting for us to join you one day. When we all get there could you make your famous cracker chicken? Looking forward to it!
