“ *1 file added to the album New Album Name*

And the tears just seem to flow  
We all come to earth for our lifetime,  
And for some it's not many years  
I don't want you to keep crying  
You are shedding so many tears  
I haven't really left you  
Even though it may seem so  
I have just gone to my heavenly home,  
And I'm closer to you than you know,  
Just believe that when you say  
my name, I'm standing next to you,  
I know you long to see me,  
But there's nothing I can do,  
But I'll still send you messages

“ I sure will miss my phone calls to Fla. and venting on whatever the topic was. Thank you for always listening to me and being there for me even though we were miles apart. I love you and know I have another guardian angel watching over me. Give Mark a big hug for me and will see you again when I get there. Your little sister, Ida
