“ *My condolences to the Baker family. May it help you to know that God's word says: Blessed be God, the God of comfort, who comforts us all. Yes, God is able to do this because he is the only one who know exactly what you are feeling and he love you. So please go to him and taste and see that he is willing and able to strengthen you to continue on. I hope these few facts bring you and your family some comfort during your difficult days ahead and time of need.##imported-begin##Mary Miller ##imported-end##*
