Emily Marie Figueroa, of Browns Mills, passed away suddenly on Friday, March 1, 2024. She was 40. Born in Mt. Holly, the daughter of Juan Antonio Figueroa and the late Deborah Marie Emmons.

Emily was an amazing person who was loved and cherished by many family and friends. She had an amazing heart who loved hard. She always kept it real with you, whether it hurt your feelings or not. *Emily, my Bro. I don't even know where to begin. My heart is shattered in many pieces. I'm so glad I was able to be a part of your life and you always knew I'd be there for you regardless your situation. You knew you could always count on me if you needed anything. A ride, to take your girls to the doctors, to take you grocery shopping, to take you to your appointments, and many other things. You were my bestie and I love you more than I think you ever understood. I would just listen to you when you felt you couldn't go on.*

*Emily, I miss you so much already and this is going to take a long time to heal. May you RIP cuz. You can now rest easy with no one to hurt you anymore. Your girls will grow up and will always know how much you loved them. Fly high girl. You are now back with your Mom who always worried about you, You are with Nanny and Pop , and your brother, Antonio Orlando. Love you girl thru eternity and will never forget all the good times we had. ~Until we meet again~ Sore as high as you can and remember all the laughter you have brought to many. Love you my Bro~You are now free~. Love you bunches, Dan*

*Walk without fear now Emily. Your Mom, Nanny, Pop, and your little brother Tony were all waiting for you with open arms to take you away from this crazy world and from the people who always used you or were bad influences for you. God new you tried and God saw you struggling more and getting weaker and weaker and decided to bring yo home where you will forever be save , forever have a place to live, forever to have food, and forever to feel the real love and what it means because you were always told you were loved but no one ever showed what it really felt like. Sore high my little niece, be free, and enjoy your cleansed body and soul, Love yo lots. - until we meet again- Aunt Emma*

*Emily... my niece, my namesake. I can't believe this. I know life wasn't easy for you but you never gave up. Your struggles were real and you did what you had to do and did the best you could. Your laugh could be heard rooms away, you were always smiling no matter the amount of pain you were feeling or whatever situation you were in.*

*I know you felt alone most of the time and I will always remember our genuine talks and me giving you what you needed to hear. I also know it was harder for you after your Mom passed but you hung in there.*

*Dan misses you horribly. He said he just saw you 2 weeks ago and you looked great and that you were happy.*

*Although you leave us broken hearted, you now are at peace and may you rest easy with all your family in Heaven.*

*We will love you through eternity Em. Gone but never to be forgotten*

*Love Aunt Emma (your favorite Aunt as you always said), Uncle Jim Dan, and Sherri.*

*Until we meet again ~*

“ I always told you my friendship was genuine. I told you I never needed you for anything but that I chose to be there for you bc I WANTED TO.

I was doing the math last night, we met in 2010, that was about 14 years ago. I can't remember a time together that you didn't make me laugh, even during the hard times. I have been there and I will continue to be there for you. I'm just finally glad you found peace. We can't argue why or when God takes us. It's not goodbye, it's I'll see you later☐

“ Em, I'm so sad this happened to you! The last time we spoke you told me your greatest wish, and said that you would eventually get there! You always kept a smile on your face, even at your darkest times. Your ability to make someone laugh was unmatched! In fact, whenever we would cross paths my face would hurt so bad from laughing at the things you would say. Em I know for a fact you made it to those pearly gates, because God knew your heart, and it was literally bigger than your body! Get your rest Em, you will be missed by many!!
