“ Hi to all members of the King Family, and those who have made Lumberton and the surrounding area you home. I have not been able to attend today, but I am there in spirit. My fantastic, memory of Erin was how especially funny and fun she was. When we would get together for an event wishing my Mother well, Erin always had such insightful, fun and charming things to say. She was a special lady, and always a lot of fun to be around. I remember my Mothers 100 year birthday, and how Erin made it such a special event, with her joy and spirited conversation. She was great, and a joy to be around. I had already moved to California when she was born, so I wasn't able to witness her growing up, seeing her on those special occasion filled my heart with the special nature of the Lady. Because of health issues, I wasn't able to make it today, but I will carry her memory forward in my life with great love and affection. I wish I could have been there today with people I've known all of my life. I'm truly sorry I couldn't attend today, but perhaps in the future we can reach back and honor our beautiful girl. Love to Joe and Connie, Andrew, and Amy , as well as Aiden, and Stephany and all of the King family members, and an especial shout out to Tom and Betsy, for their generosity though the years. And best wishes to Tim, Ted, April, Judy, Linda, Elizabeth, and many other who made the trip. I wish I could have been in attendance, as well. Best wishes as always,

All of my Love
Dennis
