“ 90 Years, Emory and Eunice shared a lifetime. No one living can say this. Emory was 2 when Eunice came into his world. As they shared these 90 years she was always there for him and the family he had. Love and kindness was always given. She didn't mind telling him what for when needed. No one was more blessed then Richard, Cathy , David , their children ,grandchildren and Great-Grandchildren. Six other siblings and their families were blessed by her. She touched so many lives. She will remain in our hearts and memories forever. Thank God for sharing her with us.

“ To my family,  
Aunt Eunice was such a beautiful lady inside and out. She was loved by everyone who knew her. She was one of the sweetest ladies I have ever known and I will miss her dearly. I am devastated to not be there with you all to love on each and every one of you, but I will cherish my last visit with her forever. Seeing her in October 2023 and her getting to meet my husband and son will be something I will remember for the rest of my life. Love and miss you forever Aunt Eunice. Love always, Kennedy, Charles, River and baby girl

“ They say you can't choose your family. That statement is so wrong. Aunt Eunice was my chosen Aunt. Close friend of family but she was my family! Many weekends spent at her house, many meals shared and the love she showed, have provided me a lifetime of special memories. I'm forever grateful for this woman to have included me in her family. Cathy and David I know this is a truly difficult loss for you and please know if there's anything I can do, please don't hesitate to call on me.

“ Eunice was my second mother. One of the kindest people anyone could ever meet or be around. She always made me feel like I was the only person in the room. Always thinking of others and would never let anyone go without. She was one of a kind. I will always love you Eunice, it will not be long before I see you again. Love Oakley Dean Baldwin
