“ *It saddens me to just now hear about the passing of my "Aunt" Eunice. The last time I saw her was at my great-grandmothers (her sisters') funeral. I will never forget talking with her that day and her telling me how proud my great-grandparents would be of me and how she was proud of me too. It meant more to me than she could ever know. It's something that will stay with me always. She is surely missed.*

“ *We wish to offer our condolences on Aunt Eunice's passing. She was the last of my mom's siblings and a regular visitor to her sister Alma when she lived on Bridgeboro Street in Riverside (the same street they both grew up on) and later at Buttonwood Hospital. Sometimes they looked like twins.*

“ Dear Cox family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
