“ *Having grown up as next door neighbors to George and Eva and their family, we all got to know one another quite well. I have a lot of fond memories from those days. I still have and use a Corning Ware set given to me as a wedding present in 1969 from George and Eva. I will cherish it forever and I always think of Eva when I use them. Eva was a very special lady. She was always kind, caring and helpful. She will truly be missed by so many people. R.I.P. Eva. And my sincerest condolences to George and the entire family. God Bless all of you.*
