“ *As soon as I saw the name, I thought ' she worked for Ionac (later Sybron)'. What a wonderful person she was during my time there.*

“ *Our thoughts and prayers are with you and your families at this very difficult time. I had hoped to attend the viewing this morning but the cold weather convinced me to stay at home with Mom.*

*We always had very spirited visits with your Mom -- especially about politics and the fact we shared very different views. Mom often shares stories of visiting Mt. Holly as a child and staying with Aunt Anna and her family.*

“ I was sorry to hear of Evelyn's passing. She always had a ready smile and greeting for us at church and I also remember fun times with her doing various craft projects with the church ladies. She will be missed, and I pray God will bless and comfort all of you in your loss. Prayerfully, Pat Kuntzi

“ It is with great sadness that we learned of the death of Evelyn. We often talked about her and we will always remember a very engaging person. It was a real pleasure to meet her in 2012 and to be in touch all these last years. Our thoughts are with the whole family at this painful time. Marie-Reine, Thibaut et Didier - France

“ I adored Evelyn. She worked with my grandmother, Alice Crosby, for years at Sybron. I loved Evelyn's spirit and her humor. She was such a character and always had me smiling. I am sorry to hear of her passing. She was one heck of a lady. My sincerest condolences to the family.

“ Dear family of Evelyn Shemelia:

*I was sorry to hear that you lost your dear mother and grandmother. Losing someone you love in death is one of the hardest things that anyone will ever have to deal with. We have a great hope for the future because God promises to bring the dead to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief Bible message has brought you a measure of comfort in this difficult time.*
