“ *I just heard about Faith. My heart breaks for her family and there terrible loss. Faith was the one that always took care of me at Deborah and over the course of many years going there we had become very friendly, talking for almost an hour even after the apt was over (when it wasn't too bust) and saying we needed to get together for lunch. She was truly one of the nicest, open and caring people I've ever had the honor of meeting. She will be missed my more people then she could ever have known.##imported-begin##Ruth##imported-end##*

“ *Though we didn't see each other often, when we did, it was just like we were back in high school. Good times "Class of 1977". My thoughts and prayers go out to the family. God Bless.##imported-begin##Gwen Dancy-Coats##imported-end##*
