“ I loved Faye like a sister ever since I met her back in 1994, when I first met and started dating her brother Ronnie "Hammer". I am so deeply saddened and at a loss for words in this situation but all I can say is that Faye....I made a promise to you and to Ronnie that I will look out for your Mom, Gage, Alivia & Kaylob as much as I possibly can as long as you guys help me out there and look out for us too!!! I ?? You with all my heart and will never forget all of the memories we had! Please tell your dad I said hi and I love him and miss him oodles and oodles too!! And also please tell Ronnie that there hasn't been a day that has gone by that I haven't thought about him and I will never ever let either of your memories fade away!!!! With love always! Malissa ????????

“ It has been 1 week yesterday since we said "Good Bye" to our Sweet, Beautiful Faye. I am still thinking of her every day and wishing it did not happen. Faye did not deserve to go so soon and neither did her children deserve to lose their mother who loved them so very much. They were her world. I remember the last time we were all together was on Kaylob's 3rd birthday, January 4 this year. That was the last time we saw her. I was looking forward to going to the beach together in the summer. We both love the beach. I remember meeting Faye at the "Witches Ball" in Mount Holly last year. She had so much fun. She loved doing things with us and her children. We as Grandparents always included the kids in our festivities and Faye loved that. I miss & love you so much Faye.

“ I can remember when you and Donald were like 17ish you guys had just gotten your license. You used to be at our moms house in country lakes everyday. You, Donald, and Melinda were inseparable you guys were new parents. Gage was just a little guy 1 or 2 when Deen was born. We were all so young and inesent. Full of life. I always looked at you as an older sister and then as I got older we became friends too. We had Paige and Olivia at the same time they used to play together all the time. You really will be missed by me and Donald.

“ Still in disbelief; I am going to miss that beautiful, loving mother of my Grandson Kaylob Mark. Faye gave Kaylob the middle name of Mark in memory of my brother who had just passed not long before she gave birth. That's how thoughtful & giving she was. Words can not explain fully how deeply saddened I am of her early departure and the thought of never being able to see or talk to her again. Dear Faye; John & I have always loved you for the short time we knew you. I feel so bad that my grandson only had you for 3 years. I will think of you everytime I see him which I hope will be a little more often than it was. What do we tell him without crying when he keeps asking for you. You can be at peace knowing your Mom will take very good care of all three of your children just as she has been. I will be there whenever she needs help with Kaylob and Alivia. I would love to be able to take both of them on outings in the summer. The heavens are going to be crying heavy tomorrow for your departure. You were a beautiful, warm, loving, spirited, generous, magnificent young woman and I myself will never ever forget you. With all my love and sorrow. Goodbye Sweet Lady!

“ For my 16th birthday, Faye made me a birthday cake for Ronnie to give to me. I'll always remember sitting around my kitchen table with my dad, Faye, and Ronnie. It was a beautiful birthday!
We shared many meals together. Faye and I would make the best breaded pork chops for our friends to eat after hours of good times with great friends. There are so many memories. Faye, Sean, Don and I spent endless hours together, endless memories, laughs, and love.
