“ *Carol, So sorry to hear about your mom. I know she has been sick and in the nursing home a long time, but it doesn't make it any easier. As the months go by and healing can begin you'll remember all the things that endeared her to your heart. And somehow in God's healing we only remember the good things. I am so sorry to hear that your dear mother has passed on, but I know you all take comfort in knowing she lived a long and full life.
