“ It been over a year and its finally hit me hard. I think of you often. I miss you so much. Without Karen with me I'd be a wreck. I know life's not supposed to be like this. I hope you're having fun in heaven. Broken hearts you left behind will try to make you proud. Thank you for all who commented on my Mom's behalf and for our family. It is greatly appreciated. God bless you all.
