“ I began my professional nursing career at Methodist Hospital in 1980. Your mom and grandmom was the person who taught me everything I needed to know about how to be a nurse at Methodist. She was patient, kind and if I remember correctly had an awesome sense of humor. Please know that she was loved and adored by many, even those of us who had lost touch with her. My deepest sympathies to all of you.##imported-begin##MaryAnn Potts##imported-end##

“ Mrs. Yunk was an Instructor of mine at Methodist Hospital School of Nursing from 1974 to 1977. She was the greatest nurse! I believe that I am the nurse I am today because of her! She will be greatly missed by all that knew her. You should be so proud of all that she gave to her profession and to all of the memories she created in her career.##imported-begin##Gale Berglund Douthwaite##imported-end##

“ I graduated from Methodist in 1978 when Mrs. Yunk was an instructor. She was a kind, compassionate, inspiring nurse and teacher. Like her, I am a quiet personality, and she warned me that it would cause friction with my coworkers, but appreciation from my patients. She was so right about that. She will be greatly missed.##imported-begin##Terry Bramble Anderson##imported-end##

I am so sorry for your loss.  
I am a classmate of Flossie from Methodist. She & I worked there after graduation  
We lost contact for many years.  
I was so surprised to see that she lived in Hainesport for I live in Cinnamminson.  
Your Mom was a wonderful person & will be missed.  
My best to you & your family.##imported-begin##Sara(Sally) Bishop Ramball##imported-end##
