“ Frankie and Michael, yes ur name was never just ur name to me when we were little it was Frankie and Michael my bad ass cousins lol Kuser park, Super Bowl sunday, fireworks at my parents house 😊 Christmas, Easter, thanksgiving, grandma❤️ All the Bodnar guys playing baseball at kuser park (I swear u guys were there all day) the youth group, of course u were in, there was basketball! nothing better then growing up Bodnar, so many loving memories. I wish in our adult life we were just as close. U turned out to be such an outstanding father, to 3 fabulous children. U winded up being a great husband who was married for 19 years, nineteen years cuz, I feel like were still 19 😞. I would say to any normal person that by now u have settled in to heaven, but that isn't a Bodnar, I know ur still partying! U and ur dad are probably busting out the bats and getting ready to play! I love u cuz, till we meet again!

“ *Frank you were a great human being, one that I am glad I got to work with and get to know. My heart goes out to your family and children whom you always talked about, from your daughters ice skating to you and your sons love of history. I always checked the dairy box when I came in to work because when you were there we made work not work anymore but just plain fun. I will sincerely miss all the good times we had laughing with Bob and everyone and am glad I have those memories. Rest in peace Frank*

*Well Frank(cousin) and I were pretty good friends he was always. He never was anything but kind to me. Once he had tickets the NEW KIDS ON THE BLOCK. We used Aunt Carols car and well it broke down. We sat in the grass looking up at stars Frank never talked much but he didn't need to. It was always actions with him always thinking or being simple not sure. He just seemed to like company and made some funny comments. I always seen Frank's sweet side. I never had to question if he cared. I also rember how proud he was to be married have his children. His brother and mom were also always close. So much to say most of all he was someone who found his place in life. Today feels empty diging up memories isn't easy. All I can say is see my boys their isn't a day I don't think about him and his little brother Mike. 42 years too young he was seeing life slip away after working so hard. He had many parts to his life my memory of him wouldn't do him justice. We shared birthdays, loss, picnics and parks. We played for hours at Chestnut park in Trenton. Everytime he was around life seemed good. That is all I can say and I know he will be missed.*

*Dear Nephew. your legacy is truly the gift of love to all those who knew you. Many would have been cynical and unforgiving living a life filled with hate, to have lost their father in the manner in which he was taken from you and your brother when you were just teens.. And we all shared that horrible moment in time. You went on to be a wonderful husband and father to your three children. You will be missed from this world, as we need more like you in this realm of existence. To Tara and Mom Carol, children Carol Ann, Frank, Stacy Brother Michael and extended Family Our most heartfelt sympathies and love go out to you and you will be remembered in our prayers. Uncle Dave and Aunt Margie (Bodnar) Brischler*
