“ *Frank, you will be missed. But most importantly, your memory will always be appreciated. Thank you for caring enough, to think about me and Amanda and the new baby and of course Mandie from time to time. It was a pleasure having you visit here and there, and I realize now that I am down one less person that will be waving as I drive by tomorrow. Rest in Peace, and I hope you find your wife.... Thank you for all.##imported-begin##Michael Grant##imported-end##*
