“ *In this difficult time, I hope you take comfort in knowing others remember him too. I was lucky to have him teach me Chemistry at RVRHS in 1969. He was an inspiring teacher, who demanded our best effort. We were blessed to have him at RV. R.I.P.*

I transferred into RV in my junior year. An only, sad, child; a pawn in my parent's divorce. Fred showed me patience, and turned my failing grade into an "A". Thank you. R.I.P. You are one of a kind!

“ Dear Schaible Family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
